IT'S TIME FOR SUNSHINE CAMP!

Sunshine Camp is an organization that takes higher functioning adults with disabilities on a three-day camping trip to Blue Lake. This year they are going on April 28-30th. Help is needed to support the campers with the cost of the camp. Please make your check out to Cain's Chapel and earmark it Sunshine Camp.

Passover Seder and Church Supper By Reservation only – please sign up

On Thursday night, March 30, 2023, at 5:30 pm, there will be a Passover Seder which will involve worship, supper, and Holy Communion. The Passover Seder, rich in Jewish tradition, retells the story of God's deliverance of the Israelites from 400 years of slavery under the Pharaohs of Egypt (as found in Exodus, chapters 3-20). The Seder (pronounced say-dur) meaning "order," involves remembrance of the 10 plagues God sent upon Egypt when the Pharaoh refused to "Let my people go." Ultimately the last plague is remembered and celebrated because in the plague of death upon the firstborn, God's people were 'Passed Over' and spared from death. A blood sacrifice had protected their safety, allowing Moses to lead them to the Promised Land. Celebrated for hundreds of years, it was at a Passover Seder that Jesus Christ was sharing with his disciples when he offered them what we now refer to as "The Last Supper," or Holy Communion.

The Passover Seder will begin promptly at 5:30pm. Reservations must be made in advance for us to properly prepare for this meaningful event. The menu for the supper will be baked chicken, baby lima beans, rice pilaf, salad, and a dessert. Please sign up on the clipboard if you would like to attend.

The cost will be \$10 per person. There will not be a Wednesday night supper this week on March 29th .

A DEVOTIONAL FROM BILLY GRAHAM

And Jesus answering saith unto them, Have faith in God.
—Mark 11:22

Dr. Wernher von Braun, the guiding scientist in the development of our great space rockets, has said, "The materialists of the 19th century and the Marxist heirs of the 20th tried to tell us that as science yields more knowledge about the creation, it makes us able to live without faith in a Creator. Yet so far, with every new answer we have discovered new questions. The better we understand the intricacies of the atomic structure, the nature of life and the master plan for the galaxies, the more reason we have found to marvel at the wonder of God's creation. But our need for God is not based on awe alone. Man needs faith just as he needs food, water, and air. With all the science in the world, we need faith in God."

Father, man's incredible inventions are so insignificant when I contemplate Your magnificent creation. Yet, in complete dependence, I realize my need of faith in You for my smallest need. Amen.
